Atsu, JE1TRV #7763 had a business trip to Latin American countries and he met some radio amateurs in Brazil.

Hoz, JL1IRB #15030 had also business trip, he went to European countries. He didn't have any eyeball QSO's because it was a tight scheduled trip.

Please let me know how you have been getting along.

Eyeball QSO in Brazil

Atsu, JE1TRV #7763

Rough Translated by Editor

I had a business trip on June. I wanted to have eyeball QSO with someone in Brazil, so I asked **Eric, PY2EMC #11648**.

We had a dinner on Friday, June 20th. Eric, PY2EMC and Dick, PY2RO belong to Sao Paulo CW Group.

Unfortunately, some other people who were going to join us, couldn't come because of horrible traffic jam.

We had very enjoyable time!

Dick is a a DXer who enjoys on all band. He has already held 160m and 6m DXCC awards, and he is on the DXCC Honor Roll.

Eric is a DXer and a contester. He has a two-element Yagi for 40m band and other antennas on the roof of his condominium.

Effective Date for the Award

Nao, JO3HPM #15008

After I heard John VK4TJ has reached FISTS Gold Century Award and Millionaire Award on the FEA 20 m net, I counted my FISTS QSO point for the first time in almost a year. I thought I could reach Millionaire Award. I sent my log to Dennis, K6DF, FISTS Award manager. But he kindly refused it. I was mistaken. Only

contacts made on or after January 1, 2006 are valid! I'm very sorry to Dennis. I appreciate NA member because these awards are free of charge to other chapter member now. These cost must be covered by their member fee. But if it's changed to require some fee to earn the award in the future, I will still try it. Because I like our FISTS very much!

Japan Ham Fair Will Be Held on August 23rd and 24th

"FISTS EAST ASIA" booth will be exhibited at Ham Fair 2008 in Tokyo, Japan. See you there!
