## A First Eyeball-QSO with A FISTS

Man, JG0SXC #8934

The other day, I got email from **Nao, JO3HPM #15008** and that said that he would go on a business trip to Tokyo and that he might drop into Nagano on the way back to his home, expecting to have an eyeball-QSO with me. That made me very surprisingly happy and I replied to him to say yes, of course.

On that day he came to Nagano after a business in Tokyo. Unfortunately, I couldn't make my time for meeting with him that evening. (Nao, very sorry for that..) So Nao and we, **Kamaken JG0MWU #15015** and I, had a first eyeball-contact in the morning of December 5. As well as other hams, we felt as if we were good old friends regardless of the first time to see one another. So we were very soon great talkers, hi.

He told me that he wanted to see beautiful mountains in Nagano, therefore I took him to one of my favorite spots where to possibly enjoy a nice view of 'Hokushin-gogaku' (the five famous and beautiful mountains in the north of Nagano) . Though the weather wasn't good enough to enjoy the views, I expected that he could imagine how nice it would be. (How was it, Nao?)

After the short drive, we had lunch together, having some enjoyable talks at a restaurant in Nagano. We talked about from FISTS to somehow private things of each other. Of course, we could talk about things like that on the air, but we should admit that there would be things to be talked about just in person, shouldn't we? Anyway, we really enjoyed our conversation, having lunch there.

Three hours were too short to have great talks for us. He had to go back to his home in Hyogo. We promised to see on the air again and to keep our activity, before saying good-bye.

I appreciate Nao to spare his time to see us and to have great time. See you later.

**Nao, JO3HPM #15008**

The FEA net has been held since December 2004. On October 18, we had the first-ever participant from the U. K. at last. He was **David, G3KMG #124** and he is the man who visited Japan this April.

Condition seems to be improving these days. I hope the sun give us more chance to meet a lot of members around the world.
